

Are you worried about how to keep up with your English?

You don't like your language skills turn a little rusty when you return to school ?

here are some tips for you!!

Practice a little bit every day!

- the easiest way – and the most entertaining – is to **watch English-language TV and films**

and...if you already have got your book

“Gateway” 2nd edition B1

- do the activities in **Build up to B1** from page 2 to page 23
